# ABBY

## Helps you keep in touch with your money.

Catholic & Community Credit Union's audio response system lets you get all of your Account Balances By Yourself.

ABBY is the most convenient way to make many of your financial transactions.

ABBY turns a touchtone phone into your personal automated teller.

You can access your accounts through ABBY from almost any touchtone phone .... anywhere, anytime.

When using the ABBY System for the first time, use the last four digits of your social security number as your pin number. When you enter the system you can change your pin number to any 4-digit number you would like.

Call the Credit Union office at **618-233-8073** if you have any questions, or if you are experiencing difficulties with the system.
